

RESTORATION RUNWAY 2020:

A New Vision

11th Annual Fashion Show & Silent Auction

CAROLINA THEATRE | MARCH 19, 2020

Inspiring. Empowering. Energizing. This is the way guests describe *Restoration Place Counseling's* signature event, *Restoration Runway*.

This year's theme is *A New Vision* - celebrating a new decade of our fashion show fundraiser with a new venue and vibe, as well as encouraging stories of girls and women who have gained *a new vision* of themselves as beautifully restored women!

DID YOU KNOW THAT IN GUILFORD COUNTY...

54,000 women have suffered or will suffer rape or attempted rape in their lifetimes.

33,750 women can expect to develop clinical depression during their lifetimes.

22,500 women have or will develop alcohol dependence during their lifetimes.

Many of these women – **about 1 in 5** – **will not be able to afford the mental health treatment** that they need. However, for the women who have suffered these and other life-crippling issues, there is **Restoration Place Counseling**.

RPC exists to provide professional counseling services to girls and women at significantly-discounted prices. Proceeds from this singular event will help us to subsidize over 3,000 counseling sessions at our lowest rate of **just \$25 per session**. Your sponsorship of this event will ensure that the girls and women with the greatest financial need are able to receive the help they deserve, as well as show your employees and community the value you place on women and mental health wellness.

If you have any questions or need additional information, please contact Cindy Mondello, Executive Director, at Cindy@RPCounseling.org.

THANK YOU FOR YOUR CONSIDERATION AND FOR YOUR SUPPORT OF WOMEN IN OUR COMMUNITY.
