

2019 MOUNTAIN MOVERS

Like many nonprofits, the “mountain” that Restoration Place Counseling encounters is a *financial mountain* – how do we make sure we have the funds to provide the services of our organization?

In 2019, we completed 8,777 counseling sessions. More than half of these sessions were offered at a significantly discounted rate over our actual cost. Because of this, we rely heavily on contributions to cover the remainder of the cost – which often feels like “trying to move a mountain”.

One way the mountain is moved is through individual donors who have chosen to invest in the mission of RPC through recurring monthly gifts or an annual pledged gift. This group of friends make up the **RPC Mountain Movers Club**. Their generosity helps us move financial mountains so that we can then help move emotional mountains from clients’ lives who might not have any other way to receive care.

“For I assure you: If you have faith the size of a mustard seed, you will tell this mountain, ‘Move from here to there,’ and it will move. Nothing will be impossible for you.” (Matthew 17:20)
